

FY23 CASAS Training Information

The Illinois Professional Development Network (PDN) offers **two types** of virtual CASAS training, one for test administrators and one for teachers. Both use a **hybrid format**:

- **Part 1:** Complete free, self-directed online modules from the CASAS website
- **Part 2:** Attend a live webinar conducted by the PDN

TRAINING FOR TEST ADMINISTRATORS (Required)

CASAS Implementation Training is for those who administer paper or online CASAS tests: Reading GOALS, Math GOALS, or CASAS Life and Work Reading. It is required by ICCB for all individuals who give CASAS tests.

Goal: Participants learn to administer CASAS tests correctly to ensure validity and to maximize measurable skill gains.

Click [HERE](#) for more information about CASAS Implementation Training.

Note: Illinois programs and test proctors new to the computer-based eTest or remote testing have additional training requirements. Details are provided during Implementation Training, Part 2 (live webinar).

NEW! TRAINING FOR TEACHERS (Recommended)

CASAS Tools for Teachers is for instructors whose students take CASAS assessments: Reading GOALS, Math GOALS, or CASAS Life and Work Reading. Separate trainings are offered for ABE/ASE and ESL instructors.

Goal: Instructors learn to use the CASAS blueprints and CASAS test reports to plan effective, standards-based instruction and maximize measurable skill gains.
