

CAP-IT Professional Development and Technical Assistance Schedule FY2021

This schedule details the CAP-IT Learning Community Sessions, a mechanism to foster cross-college collaboration and peer-to-peer learning. For the 2020-2021 academic year, we have created a new framework for learning, led by guiding questions and opportunities for professional development. The schedule also contains other important meetings, such as the ICCB Operational meetings and the Statewide Advisory Committee meetings.
