COMMITTEE REPORT OUT

Comprehensive Student Support Services
Lisa Jones, Chair

Agenda Items:
Discussion of first 2 points
• Resources: Illinois Worknet (Career Planning, Labor Market info) how do we ensure that all adult ed. Students have access to these resources?
• How do referrals happen on a programmatic level?
  o South Suburban – program referrals are shared with One-Stop Center; Lisa brought up same-day service delivery issue when connecting w/one-stop
• What are barriers?
  o Poverty, lack of knowledge of services, language, transportation, childcare, mental health.
• How do we ensure that all resources are being leveraged in communities and that duplication of services are limited?
• Access is also an issue in areas with few one-stops/service providers – can adult ed providers become satellite offices for one-stops?
• How do we increase virtual services to adult ed providers?

Next Steps/Recommendations:
• Develop referral forms that are standardized across partners
• Common database/platform - biggest barrier to integrated services
• Can ICCB/Title 1 share expectations of one-stop RFP so that Adult Ed understands how to better leverage services?
• IDES/DCEO can provide brief presentation about services – next meeting emphasis on information sharing on partners (sharing service matrixes from MOU’s).

Next Committee Meeting Date:
• virtual meeting December/January
