- We are in the process of reading regional plans and will be getting feedback to you about possible changes soon.
- **State Budget**
  - We have been inundated with GATA and appreciate your patience during this time.
  - Under GATA, each contract has to be handled on an individual basis.
  - Under GATA, if you don’t turn in your forms, you will not get paid and they are following this very firmly.
  - It’s important that you spend all of your FY16 dollars!
- **Federal Funds**
  - FY16 funds have already been received.
  - FY17 funds will come as quickly as possible under new GATA budget forms
- We encourage you to talk to your legislators so that they have all of the information about Adult Ed meeting its Maintenance of Effort.

Committee Report Out

WIOA English Language Acquisition (ELA) Committee
Mike Moline, Chair
Agenda Items:
- We spent most of the meeting time discussing the meaning of Section 243. Our understanding is that funds from Section 243 can be utilized if you do an Integrated Education and Training (IET) as a part with civics and workforce preparation. Thus the major delivery requirement is as follows:
  - IET: ESL/Civics/Job Skills training all happening at the same time
- We began discussing how to deliver these services to Professionals with degrees & credentials. One idea was to have accelerated classes for these students

Next Steps/Recommendations:
- We divided up the three points under Committee Assignment and each group is to bring their recommendations to the meeting during the week of January 16.
  - Point #1: Jerry, Khrystyna, Sue
  - Point #2: Joan, Karen, Ben
  - Point #3: Mike, David, Nelson

WIOA Workforce Committee
Bevan Gibson, Chair
Agenda Items:
1. Examine the final rules of WIOA to determine the instructional delivery requirements of Workforce Adult Education and Adult Literacy, Activities, Workforce Preparation Activities and Integrated Education and Training.

Next Steps/Recommendations:
1. Review FY16 info including sect 203 definitions from WF committee
2. Review Federal Register
3. Be prepared to discuss 1 & 2 in relation to the 5 questions under our charge at our next conference call.

Next Committee Meeting Date: October 17, 2016 at 11:00 AM

WIOA ABE/ASE Committee
