SPRING 2020 LEGISLATIVE AND BUDGET UPDATE

In the early morning hours of May 24th, the General Assembly wrapped up a four-day special legislative session by enacting legislation to support the State's response to protect vulnerable populations impacted by the global COVID-19 pandemic. The shortened session included adoption of a fiscal year 2021 State budget.

Matt Berry will provide an update on the fiscal year 2021 budget and a legislative report highlighting action taken during the abbreviated legislative session.
