Student Advancement: First time part time students completing 12 credit hours in the first year.
First time full time students completing 24 credit hours in the first year.
Adult Education advancement numbers reflect students placed in ASE Low or ASE High based on TABE testing (upon program entry) who exited the program during the fiscal year. Of those who exited, the number enrolling in the Illinois Community College system during the exit year or following year was used to calculate the adult education advancement rate.
