

Illinois Council of Community College Administrators 2012 Directory

(10/15/2012 revision)

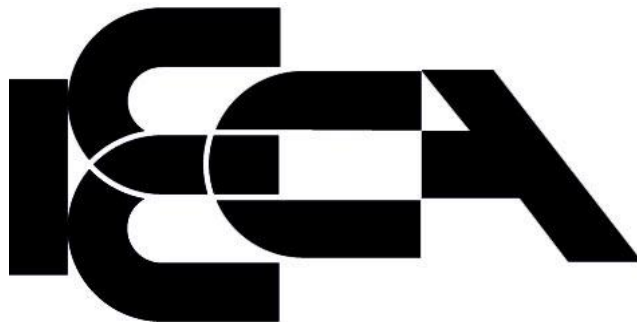

October 2012

The Illinois Council of Community College Administrators (ICCCA) publishes this directory annually for the purpose of facilitating communication and information sharing.

The ICCCA serves the common interest of the administrators within the public community colleges of Illinois. Membership in this organization is open to all administrators serving in the state community college system.

Officers and staff of the Illinois Board of Higher Education (IBHE), the Illinois Community College Trustees Association (ICCTA), the Illinois Community College Board (ICCB), and the Illinois State Board of Education (ISBE) are included in this directory, but do not hold membership in this organization.

Please check the ICCCA website: www.iccca.org regularly for current information about the organization, its commissions, and its membership.

ABOUT THE ORGANIZATION...

The Illinois Council of Community College Administrators is dedicated to serving the interest of its members and to advancing the common needs of community colleges. Membership in ICCCA is open to all administrators in the state's community college system.

OUR PURPOSE...

- *To provide a resource network, a forum for information exchange, and a vehicle for professional development.*
- *To represent the concerns and needs of community college Administrators by participating on state committees, task forces and advisory groups.*
- *To build effective alliances which will act on behalf of the common interests of community colleges.*
- *To collaborate with political and educational organizations throughout the state to advance the legislative and fiscal needs of community colleges.*
- *To provide a collegial support network for professional growth and development.*

The organizational structure provides opportunities for affiliation with ICCCA and any appropriate commission.

The Executive Committee consists of the elected officer team, the designated chair of each ICCCA commission, and the chair of each standing committee.

ICCCA Commissions represent broad-based areas of common interest. Commissions hold workshops, seminars, and meetings throughout the year to share ideas and discuss educational and professional issues. For more information contact your ICCCA campus representative. (Commission Chairs and Campus Representatives can be reached via the ICCCA website located at www.iccca.org.)
