

Coaches' Salaries Information

Question Posed by Guy Goodman-Illinois Central College-January 2013

1. Do you have coaches that are also full time on campus?
 - a. What type of roles do they have in addition to coaching?
 - b. Is their coaching pay in the form of an add-on stipend?
 - c. If it is a stipend, do you have an expectation that they are fully (100%) fulfilling the obligations of their full-time position with "plus" hours going toward athletics?

2. Do you have a systematic way of determining starting salaries for coaches? If so, would you be willing to share your rubric?

3. What is the range of starting stipends or salaries for coaching?
