

College	Any issues on campus with the use of e-cigarettes on your campus	Does your current smoking policy address this	Plans to add e-cigarettes to smoking policy	Other information
Black Hawk College		No		Not addressed this issue yet
City Colleges of Chicago		Yes - adopted last year and e-cigarettes are included in this policy		Tobacco free campus
College of DuPage	Minor issues	Yes - e-cigarettes included in policy.		Our campus went tobacco-free August 2012 and we consider the use e-cigarettes as a tobacco-related product and it is banned from our campus.
Elgin Community College		Yes		They are limited to parking lots and the single designated smoking area. We are reconsidering our smoking policy and may go smoke free
Harper College	No	No	Reviewing policy and plan to propose a policy that would prohibit them as part of being a smoke-free campus.	The main reason we are prohibiting e-cigarettes is because allowing them could make enforcement more difficult as people may assume that smoking is permitted. In addition, while it appears that the research may be conflicting as to whether e-cigarettes really have harmful vapor or not, this was the most helpful link found about e-cigarettes and what they may contain: <a href="http://www.mc.uky.edu/tobaccopolicy/KCSP/OnePaggers/One%20pager%20e-cig%20REVISED%202%20FINAL%20030712.pdf">http://www.mc.uky.edu/tobaccopolicy/KCSP/OnePaggers/One%20pager%20e-cig%20REVISED%202%20FINAL%20030712.pdf</a>
Heartland Community College		No	Looking at modifying policy to include e-cigarettes in the policy	
Highland Community College	No	No		hasn't been an issue yet; monitoring
Illinois Central College	No	No		hasn't been an issue yet; monitoring
Illinois Valley Community College	Yes	Yes and is considered like any other cigarette		Recently had a request for an "e-cigarette only" smoking area as a student said they were trying to quit and that is why he was using electronic. He said it was very hard for him to be in the regular smoking area with all the smoke and so they designated one small part of one smoking area as e-cigarette only.
Kishwaukee College	No	No	Going to review so it can be addressed	Agrees that it should be done in designated areas.

Lake Land College		Yes		Consider e-cigarettes as smoking and are only allowed in smoking areas on campus
Lincoln Land Community College		No	reviewing what other schools have in policy	
McHenry Community College		Yes		MCC is tobacco free and does not allow any tobacco products on campus including e-cigarettes.
