

School Name	Does School Allow Minors to Participate in Study Abroad	Other Comments
College of Lake County	No	Study Abroad participants must be 18 or older
Harper College	No age restrictions on study abroad	Participation form does have a line for parental signature for a minor. However, do not recall running into this issue. Also, semester long programs through ICISP require that students need to have earned a minimum of 12 college-level credit hours with a 2.75 GPA, as well as have completed ENG 101.
Harper College	No policy	No age restrictions
Highland Community College	No policy	this issue has not come up before
Illinois Central College	No policy	ICC would not be the primary education provider. Thus, if the student is in ICC's study abroad program, we (or our partner) would be the primary provider.
Illinois Valley Community College	No policy	This has never come up, but it likely would not be approved.
Kaskaskia Community College	No study abroad program	
Lincoln Land Community College	No policy	this is handled on a case by case basis
Moraine Valley Community College	No policy	ICISP regulations require that a student participating in study abroad be 18 years of age or older
Oakton Community College	No policy	While there is no policy that covers this at OCC, it is unlikely this would be approved.
Rend Lake College	No policy	would not allow <16 to participate; would adhere to ICISP guidelines
Rock Valley College	No policy	would not allow <16 to participate; would adhere to ICISP guidelines
Sauk Valley Community College	No study abroad program	If did have a study abroad program it would be limited to those 18 years and older
Southwestern Illinois College	No policy	While we have gifted student enrollment criteria that is considered for students under the age of 16, the opportunities would not include any Study Abroad course offerings
Waubonsee Community College	No policy	would not allow <16 to participate; would adhere to ICISP guidelines
