College	Software Name	Why not?	Satisfied?	Postive	Negative	Comments
Heartland	Access					
Elgin	Excel					
Kaskaskia College	Excel	Not enough cases				
College of Lake County	Home Grown System		Yes	Provides basic data.		Could probably be more robust so that we could generate better reports.
Lakeland	Home Grown System					
Lewis and Clark	Home Grown System					
Kankakee	Maxient		Yes	It allows us the ability to track multiple offenders and to manage a case until it is closed. It's easy to use and gives us the information we need for the Clery Report.	None	It gives me the security I need to know a case will not get lost in the details of my busy schedule.
Harper College	Maxient		Yes			
Rock Valley	Maxient		Yes			

Waubonsee	Maxient		Yes	You can use to report Clery reportable events		Dr. Scott Peska is our Dean for Students and can provide you with another information you may need. Also, NIU also uses Maxient and we are in the process of being able to 'share' certain information. Several of us use Maxient
Joliet Junior College	Maxient		Yes			
Triton	Maxient		Yes	Easy to navigate and its ability to attach photos, videos and digital files	Reporting capability	
College of DuPage	Maxient		Yes			
Highland	Maxient		Somewhat	Online report submission, a great deal of customization to the institution, reporting and watch list management.	Does not interact with student information system except to receive upload of student information.	
Oakton	Not as of now	Hoping to purchase, Maxient				
Carl Sandburg	None	Not enough cases				
Richland	None	Reviewing options now				
Spoon River	None	Not enough cases				
Saulk Valley	None	Not enough cases				

Rend Lake College	None at this moment	PowerCampus
