

# Illinois Community College Faculty Association

## EXECUTIVE BOARD MEETING

Friday, April 20, 2018 5:00 – 5:30 pm

*Met Electronically via GoToMeeting*

Members Present: Krista Winters, Jacob Winters, Tracey Hoy, David Cox (Wrote in by email) and Hong Fei

- I. Convene the meeting.
- II. Tracey Hoy: The due letters are still not sent. Al talked with Emily to urge immediate sending out the letters or we won't have a budget.
- III. Deliberate for the grants. Every member agreed to fund four grant, three for research and one for workshop. The quality of the research grants seemed to be consistently higher than that of the workshops. Attention is also paid to diversify the receiving colleges, not to let it concentrate on one college.
- IV. This year's winners were not promised mileage and lodging. ICCFA will at most waive the conference fee and mileage if not covered. They will not be required to attend all sessions and staying overnight. It will be on case-by-case bases.
- V. Workshop grant winner is Dakota Horn and Jen Vieley. Their workshop tittle is "What does participation look like in your class? A workshop to explore successful participation / engagement assessment". The research grant will go to the following faculty members. Andrea Bright. Her research topic is "Putting the super in success: How to use boots and capes"; Julie Crowe-McCarthy. Her research topic is "Supporting reverse transfer students to increase persistence"; and Manuel Rodriguez. His topic is "Introduction to undergraduate research for community college students.
- VI. Adjourned.
