

One Stop Infrastructure Costs

The Office of Career and Technical Education requires information on One-Stop Infrastructure Costs for FY23. These are non-personnel costs that are necessary for the general operations of the one-stop center including (1) rental of the facilities, (2) utilities and maintenance, (3) equipment (including assessment-related products and assistive technology for individuals with disabilities) and (4) technology to facilitate access to the one-stop center, including technology used for the center's planning and outreach activities.

These are non-personnel costs.
