

# FY22 ESLTP Technical Assistance Grant

## Frequently Asked Questions

Q1. Is the \$79,000 per year for two years or a total over two years?

A: The \$79,000 maximum funding is for the first year. The second year will be a continuation year and dependent on available funding. The plan is for the amount to remain the same.

Q2. For the proposal for this RFP, is the expectation a 1 year budget or a 2 year budget?

A: Per the NOFO on page 3, the budget should include the FY22 requested amount only.

Q3. There is a 7-page limit for the grant narrative. Do those 7 pages include the Program Workplan - as much of the proposed work is outlined in the workplan. Or is ICCB expecting 7 pages of narrative and then the work plan in additional pages?

A: That is a 7-page limit for the narrative with a separate Workplan document.

Q4: On the [website for ICCB](#) funding opportunities, the NOFO shows 8% IDC limit; the “ESLTP TA Uniform Grant Budget” template shows a 5% limit. Could you clarify which is the rate to use and if we should (or are able to) alter the Budget template if it is 8%?

A: The 8% number is correct. The budget form has been updated. Please use the current (4/21/21) budget form.
